

I Understand

I Understand...

That All Things Are Created For A Reason.

All Things That Are Brought Into Existence Have A Purpose To fulfill.

That I Have A Purpose To Fulfill.

That In Order For Me To Fulfill My Purpose I Shall
Say To Myself That:

I am not an employee.

I want to be a Good Person.

In order for me to become a Good Person I have to help my neighbor become a Good Person.

If, I, and my neighbor work together to become a Good Person then together we no longer will we have to be dependent on borrowing from a Good Person that is not. If my neighbor and I work together then we will no longer be dependent on those that are not Good People.

All we have to do is believe-in and follow the lead of St. Michael.
